

Directors report

Introduction

In accordance with section 415 of the Companies Act 2006, the Directors of EVRAZ plc present their report to shareholders for the financial year ended 31 December 2019, which they are required to produce by applicable UK company law. The Directors' Report

comprises the Directors' Report section of this report, together with the sections of the annual report incorporated by reference. As permitted by legislation, some of the matters normally included in the Directors' Report have instead been included in other sections of the annual report, as indicated below.

The Company was incorporated under the name EVRAZ plc as a public company limited by shares on 23 September 2011 under registered number 7784342. EVRAZ plc listed on the London Stock Exchange in November 2011 and is a member of the FTSE 100 Index.

Dividends	<p>The underlying cash flow generation and continuing success with deleveraging have allowed the Company to continue to pay dividends in line with its dividend policy. Please read page 22 for details.</p> <p>The Company paid an interim dividend of US\$0.40 per ordinary share, totalling US\$577.34 million, on 29 March 2019 to shareholders on the register as of 8 March 2019.</p> <p>The Company paid an interim dividend of US\$0.35 per ordinary share, totalling US\$508.7 million, on 5 September 2019 to shareholders on the register as of 16 August 2019.</p> <p>The Board of Directors have declared an interim dividend of US\$0.40 per share, totalling US\$580.8 million, to be paid on 27 March 2020 to shareholders on the register as of 6 March 2020.</p>
Distributions	<p>During February 2020 the directors became aware that certain dividends paid in 2018 and 2019 totalling \$1,447 million had been made otherwise than in accordance with the Companies Act 2006. The directors duly checked the sufficiency of distributable reserves before each distribution, but due to an administrative error the interim accounts were not filed at Companies House prior to payment.</p> <p>To rectify these breaches, in February 2020 the Company filed the interim accounts in respect of each dividend payment. A special resolution will be proposed at the Annual General Meeting of the Company's shareholders in June 2020 to authorise the appropriation of distributable profits to the payment of the relevant dividends and remove any right for the Company to pursue shareholders or directors (the 'Director Release') for repayment. The Director Release will constitute a related party transaction under the Listing Rules of the UK Listing Authority and under IFRS. The overall effect of the special resolution being passed will be to return all parties to the position they would have been in had the relevant dividends been made in full compliance with the Companies Act 2006.</p>

Therefore, the total number of voting rights in the Company is 1,451,907,773.</p> <p>The Company's issued ordinary share capital ranks pari passu in all respects and carries the right to receive all dividends and distributions declared, made or paid on or in respect of the ordinary shares. There are currently no redeemable non-voting preference shares or subscriber shares of the Company in issue.</p>

We will ask shareholders to give a similar authority at the 2020 AGM. During 2019, no shares were purchased under this authority.</p> <p>Details of the Company's authority to purchase its own shares, which will be sought at the Company's forthcoming annual general meeting (AGM), will be set out in the notice of meeting for that AGM.</p> <p>On 30 April 2019, the Company transferred 8,556,954 ordinary shares out of treasury to the Company's Employee Share Trust.
